HIGH COUNTRY DAY TOUR

Thursday 8 February 2018

This tour offers a group-experience of the Coleridge basin and Windwhistle areas. The tour includes meeting the families of three local properties, each showcasing their different lifestyles, homes and gardens.

The Point Station

The Point Station 's extensive garden surrounds the historic homestead featuring many rhododendrons including family bred varieties, mature trees and ornamental and native shrubs, rock gardens and views out to the adjoining working farm areas.

Middle Rock

The large homestead garden at Middle Rock has for many years hosted domestic and international tour groups. Featuring stone walls, a pond and a collection of hardy plants and trees. The garden is framed by panoramic views of the Mt Hutt mountain range.

Rockwood

Rockwood is a historical homestead with a beautiful woodland garden set in the Canterbury foothills. The garden includes English trees and rhododendrons and is bordered by 100 acres of native bush and the Rockwood Stream. The tour features an 1850's Cobb House, family graves, bush walk with its native bird life and the Homestead which has been recently redecorated in a classical style.
